## **FOUR MOST OFTEN ASKED QUESTIONS ABOUT A CHAMBER OF COMMERCE**

### **1.WHAT IS A CHAMBER OF COMMERCE?**

A Chamber of Commerce is an association of local business people or representatives who work together to promote and protect common interest in trade. It is a voluntary organization of individuals and businesses who join together to advance the business sector interests of a community.

### **2.WHO RUNS THE CHAMBER?**

The organization is run by a volunteer group of Board of Directors (9 members) elected by our Chamber members at our annual meeting. The administrative head of the Chamber is the Executive Director. Multiple committees are structured under the Chamber to assist with coordinating member benefits, community events and promotions, all of which are run by local volunteers from the member businesses.

### **3.HOW DOES A CHAMBER WORK?**

Action groups, or committees, are the backbone of a Chamber. They are the resources that accomplish the organization's goals and objectives. The needs of the community and the policies of the Chamber determine the kind and number of these committees.

### **4.WHO ARE A CHAMBER'S MEMBERS?**

The Chamber is its members...it is YOU! Any firm or individual sharing a common interest in community improvements is eligible for membership. The Chamber is not the paid staff, it is not the Board of Directors, or an office or a clique. The Chamber is you and other individual business people, working together for a better community.
